The undersigned hereby makes application for a permit understanding that no excavation, installation, electrical, or mechanical installation, or alteration of the manufactured home, or part thereof shall be undertaken or performed until the permit applied for herein has been approved and issued by the Wood County Building Department. I further understand that no person, firm or corporation shall install, occupy, or permit occupancy of the home, or be in any violation with Chapter 4781 of the OMHC rules. Additional work not regulated by the OMHC will be required to comply with the 2018 Residential Code of Ohio.
